

## Lesson 6: My Health Centres

If you move and have to transfer to a new medical centre you can activate ManageMyHealth at your new practice.

1. Log on to ManageMyHealth (follow instructions from Lesson 1). Go to 'My Account' and then click on the My Health Centres tab. Follow the **red arrows**:
2. To complete the activation of your Manage My Health fill in the activation code given to you by your new medical centre, enter the characters and click verify. Follow the **green arrows**.
3. Note that you will still be able to see your information from your old medical centre but you will no longer be able to request repeat prescriptions or email you old GP. All functionality has now been activated in your new medical centre.
